Minutes approved

**Old Business**

Color Printer:

- Angela discussed possibility of color printer in new library if there is enough money available under the technology budget (January 2009)
- Discussed how would charge students' to offset costs.

Ruckus and how to advertise it:

- Not able to put Ruckus on computers in Gilman for students to try out, since it downloads to individual accounts.
- Student Life – advertising
- Signage around campus
- Doesn't work well on Apple comuters (they do have Itunes)

Course Management Software Committee: - haven't met yet will need to set up a time and location

Survey for laptops – questions brought up

- Last survey done in 2005 – Frank Diller
- The purpose of another survey? To see how many students have laptops.
- Is another survey needed?
- Should we do one every fall to have data available in case someone asks for data.
- Subcommittee set up to discuss doing survey and when
  - Dave Mader
  - Laura Little
  - Frank Diller – Consultant
  - Debbie will dig out information from old surveys

PerceptIS – John gave additional information:

- Gave some statistics
- 18 people that responded to survey
- Only have 4 weeks of data collected since program began
- Averaging 55 calls a week
- 75% Target approval rate

Disseminate info about TAG to campus – on hold

### **New Business**

#### Campus Announcements

- News.marietta.edu for posting announcements
- This will replace the present bounce email broadcast system
- Will keep hundreds of emails a month from cluttering up mailboxes
- College Relations would moderate new system
- Added features such as Classified – Lost and Found – Student Employment
- Will be released to the campus beginning Spring 2008

#### Survey – for Dial-up service

- John Davis passed out survey for Dial-up service
- Let John know if anything needs to be added/changed
- Add section Faculty/Employees/Students
- Those in country no choice – such as Whipple – only have dial-up

#### Spring Semester Time/Date/Place

Please send Angela the times you can meet or your schedule
