**Absent:** Taran McZee, Debbie Stodberg, John Davis, Jim Falter, Student Rep: Phillip York

Minutes approved  
No Announcements

**Old Business**

Survey

- Possible for Fall Class 2008
- Angela requested documents from Frank Diller
- Make recommendations for next year with possible focus on quality

Review of TAG description in Faculty Constitution

- Laura and Angela met to discuss description
- Will make revisions and submit to Rita and then to Faculty Council.

New campus announcements

- Seems to be going smoothly.
- Committee members commented on their experience with the new system

**New Business**

Laura – Clickers

- Should we be considering an institutional solution? Laura shared pricing on this to try and determine in which direction the college should focus.
- Committee came to the conclusion that we should not have the students purchase clickers, but provide classroom sets.
- Communications, Psychology, PA, Biology, Physics, Economics, and Computer Science have sets. Chemistry, Education and Economics have requested clickers for this year.
- Laura is going to try and see what faculty can do about sharing clickers and put most of her funds toward purchasing Receivers.

Dave – VISTA

- Concern was raised about some of the labs going to VISTA this summer.
- Textbooks would have to be updated
- Are College owned software packages compatible with VISTA?
- Need to alert faculty to this change.
